Good morning parents and guardians,

Next week we welcome Eddie from Jubilee Books for another book fair. We hope that the children love exploring the books and have the chance to buy one. The book fair will be visited each class during the two days and will be open after school for adults to drop in if you wish.

Reception, Year One and Year Two will visit the book fair on Monday (27 Feb); Years Three to Six will visit on Tuesday (28 Feb).

Last time was a huge success, with lots of book bought and incredible reading going on! The money raised helps to fund extra books for our classrooms and throughout the school.

Books are generally priced £5.99-£10.99. If you send your child with money, please ensure it is in an envelope or purse/wallet, labelled with their name and the amount enclosed.

It is also World Book Day (WBD) next Thursday (2 March). This is potentially disrupted by industrial action, so we are inviting children to dress up as their favourite character on Friday (3 March) instead.

If you have any questions, please ask.

Best wishes,

Mr Clayton and Miss Stirling

Literacy Coordinators
