Dear parents and guardians,

Re: Year 2 Surrey Docks Farm

Tuesday 25th April – Mrs Tyler's class

Friday 28th April – Mr Clayton's class

Earlier this year the children learned about 'Animals Including Humans' with a focus on offspring and lifecycles. On our visit to Surrey Docks Farm, we will have some free time to explore, as well as taking part in an 'animal babies' workshop, which will include animal feeding.

We will be travelling by a small coach and will therefore be limited on the adults who can travel with us from Halstow. We will be taking volunteers on a first come, first serve basis. However, if the coach is full and you are keen to meet us at the farm as an additional adult, you would be most welcome to come along!

Both classes will **depart from school at 9:30**. Parent volunteers are asked to **arrive at school at 9:15**. We will **depart from the farm at 13:15**, so we should be back to school by **14:00**.

Children will need packed lunches and a bottle of water on the day. We ask that all packed lunches are nut-free in line with our nut-free school policy. Please send children dressed appropriately for the weather with warm coats if necessary.

We are relying on the support of parent helpers for this trip to be able to go ahead. A big thank you to anyone who has already volunteered to come along. If you would be able to come, please contact your class teacher via the office at: hscontact@halstow.compassps.uk

Kind Regards,

Mrs Tyler and Mr Clayton
