Monday 12th June 2023

Dear Parents and Guardians,

We wanted to get in touch with important details about our exciting end of year plans.

Year 6 Leavers' Show 'The Lion King': Wednesday 12th and Thursday 13th July @ 7.00pm

Rehearsals for the year 6 leavers' performance are getting under way and we can't wait to see the show come together! To ensure the audience can enjoy the performance comfortably, we will be **allocating 2 audience places per performance for each year 6 child** (4 tickets in total). Tickets will be given to the children closer to the performance date.

Please ensure your child/children **return to school (the top floor hall) at 6.00pm for their evening performances.**

Film Night: Monday 17th July @ 6:00 – 8:00pm

We are really excited about our film night! We will be transforming the middle floor hall into a cinema for the evening! Children will be invited to dress up in their pyjamas/onesies and bring their favourite home-comforts (cushions/sleeping-bags/teddies). We will also provide popcorn and pick 'n' mix for children to enjoy while they watch the film. Film TBC!

Summer Ball: Tuesday 18th July @ 6:30 – 9:00 pm

The summer ball is a really special evening for children to celebrate their time at Halstow, socialise with each other and make lasting memories. The evening will start with drinks/snacks/ice cream van reception followed by entertainment and dancing. A theme for the ball will be chosen by the ball committee and voted for by year 6 – a message will be sent out once this has been decided! While children are welcome to dress up, the theme is just a bit of fun, and there is no obligation at all – all attire welcome!

Thank you for your ongoing support and we are really looking forward to the weeks ahead.

Miss Stirling & Miss Franklin
