## Parent and Carer Workshops

Dear Parents and Carers,

At Halstow, we greatly value the partnership we share with you in supporting your child's learning and development. We are deeply appreciative of your ongoing support, and to strengthen this collaboration even further, we will be hosting a series of information sessions designed to help us work together to provide the best possible support for all Halstow children. Please see below for the list of upcoming sessions. Please note, there is no capacity for children to attend in-person sessions. The online sessions will take place using Microsoft Teams and a link will be emailed out a couple of days beforehand. Where possible, will upload the presentation slides and information to our school website.

Kind regards,  
Halstow Senior Leadership Team
