Dear parents and carers,

Re: Year 4 Greenwich Park Learning Centre trip 5th March 2026

Linked to our Science learning about living things and their habitats, we will be visiting Greenwich Park's Learning Centre for a day of outdoors exploration and learning!

Both Year 4 classes will be attending on Thursday 5th March 2026. In the morning, we will walk to Greenwich Park and once there we will take part in two different outdoor habitat sessions led by education staff. At Greenwich Park, the habitats available to us are woodlands, meadows and ponds. We will be eating lunch there. We anticipate being back at Halstow around 3.15pm (earlier if good weather allows).

Please ensure your child is dressed in warm, comfortable clothing and that they have plenty of water and a packed lunch. Boots are recommended, as we will be traversing across grass and woodlands which could be wet. Please make sure your child's packed lunch is nut free. If you would like the school to provide a packed lunch for your child, please could you fill in the opt in form via the link below by Friday 13th February 2026.

[Packed lunch opt in form](#)

We kindly request that you donate, if possible, through the Product section of MCAS, in the Termly Fees which is currently £20 per child per term which help go towards the costs for all trips and in house activities for that term. This is voluntary but if you are able to contribute, this would help vastly with the types of trips we would be able to offer

As always, we welcome and appreciate additional help; if you are able to come along, please let your child's class teacher know as soon as possible (either via the Halstow contact email address halstow@compassps.uk or in person) and they will inform you of specific details.

Kind Regards,

Ms Tonkin and Mrs Rowe
Year 4 Team
