Jo Gordon

Natasha Tilley

Dear Parents and Carers,

We are pleased to inform you that Year 3 will be taking part in an educational visit to the Paradox Museum in London on **Friday 6th February**, as part of our current art learning inspired by the work of L.S. Lowry.

In class, pupils have been studying how L.S. Lowry represents people, space and perspective, and how scenes can be interpreted in different ways. His work often challenges our understanding of scale, movement and viewpoint, encouraging children to look carefully and think critically about what they see. The Paradox Museum provides an engaging and memorable opportunity for pupils to explore these ideas further through hands-on, immersive exhibits that challenge perception and visual understanding.

During the visit, pupils will explore a range of child-friendly exhibits that play with illusion, perspective and balance. Experiences such as the Paradox Tunnel, Infinity Well and Paradox Sofa will encourage children to question what they see, discuss how illusions are created, and make links to how artists, including Lowry, manipulate space and viewpoint.

We kindly request that you donate, if possible, through the Product section of MCAS, in the Termly Fees which is currently £20 per child per term which help go towards the costs for all trips and in house activities for that term. This is voluntary but if you are able to contribute, this would help vastly with the types of trips we would be able to offer.

Your child would also need a nut free packed lunch and a water bottle for this trip; if you would like the school to provide a packed lunch, please kindly fill in the form below with your sandwich preference by Friday 23<sup>rd</sup> January, 12 midday, where the link will then expire.

[Packed lunch opt in form](#)

**This trip cannot take place without the support of parent volunteers. We will be leaving school at 9:30am and returning by approximately 3:30pm. If you are able to volunteer to support your child's class, please notify the school office.**

If you have any questions, please do not hesitate to contact me via the school office.

Kind regards,

Miss Cole
